The ISGA was founded over 100 years ago in 1921. The objective of the Association is to encourage friendly competition in golf among **senior players (age 60 and older)**

The first tournament of record was held on September 23, 1923, at the Oak Park Country Club. Since then, the ISGA has conducted over 200 events throughout the Chicago District.

The ISGA is also committed to its philanthropic efforts. Each year the ISGA makes a charitable contribution to the CDGA Foundation and recently has determined this donation will specifically go toward the CDGA Foundation Scholarship Fund. The CDGA works with Folds of Honor to find worthy recipients each year.

ISGA tournaments are hosted in the late Spring and early Fall each year by many of the most prestigious private golf clubs. Each tournament includes golf (with prizes), lunch, and an evening banquet at the host club. Since 2017, the ISGA has hosted events at the following country clubs.
